**SUBJECT:**

DOCKET NO. 2009-479-WS - Application of United Utility Companies, Incorporated for Adjustment of Rates and Charges and Modification to Certain Terms and Conditions for the Provision of Water and Sewer Service - A Hearing on Remand was Held June 14, 2012. This Matter is Ready for Final Disposition.

**COMMISSION ACTION:**

After hearing the Settlement Testimony in this case, and examining the evidence, I move that we approve the Settlement Agreement entered into by the parties, which included United Utility Companies, the Office of Regulatory Staff and North Greenville University. The agreement includes a combined revenue increase for water and sewer of \$150,263. The annual revenue increase for water is \$30,043, and for sewer is \$120,220. However, the Company may not make application for additional rate relief under the Agreement until after January 1, 2013. Also included is a billing plan for North Greenville University based on a standard number of SFES, and an amortization for rate case expenses without rate base treatment. A report is also required to be filed by the Company on the quality of water in the Trollingwood subdivision, and at least an annual Company vacancy survey must be completed. Mr. Chairman, I move that we find the Settlement Agreement to be fair, reasonable, and a full resolution to all issues in this proceeding, and that we approve it.
